Subject: Request for Extension: CSE0001 Digital Literacy Project

Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a short extension on the submission deadline for the Digital Literacy project, which is currently due on 31 March 2026. Due to the heavy rain and storm in my region, the internet service has been stopped. So, I have been unable to complete the final documentation to the standard I aim for.

If possible, may I submit my project by 05 May 2026? I have already completed the core tasks and only require this extra time to finalize the written report.

Thank you for your time and for considering my request.

Best regards,

Minakshi Singh
