

Recipient: Internship Coordinator

Subject: Inquiry Regarding Summer Internship Opportunities

Dear Internship Coordinator,

I am writing to express my strong interest in pursuing a summer internship opportunity with Google. As a first-year B.Tech student at VIT Bhopal University, I have been developing my foundational skills in Python and Java, and am eager to apply them in a professional environment.

I have been following Google's work in software development and would welcome the chance to contribute to your team while learning from industry experts.

Please find my CV attached for your review. I would appreciate the opportunity to discuss how I might support your upcoming projects.

Thank you for your consideration.

Sincerely,

Minakshi Singh
